Sites of the Month - Great Sites To Check Out In April

Keep America Beautiful

[kab.org](#) - April is Keep America Beautiful month, and this site will teach you how. The Keep America Beautiful organization has great ideas to end littering, improve recycling, and beautify communities. Find an affiliate in your area, make a donation, or find out how to volunteer.

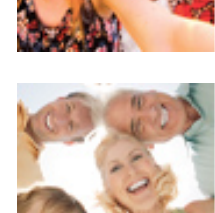

Spring Weeknight Dinners

[foodnetwork.com](#) - When the weather changes, so should your food. It's time to eat lighter, do some grilling, and clean up faster to enjoy the extra daylight. This slide show offers great ideas for delicious spring fare. Try Roast Chicken With Spring Vegetables, Pasta Primavera, or Grilled Shrimp and Noodle Salad.

Take The Perfect Selfie

[scienceofpeople.com](#) - This fascinating site shares the "science of selfies" and guides you in presenting your preferred image to the online world. Just a few tricks include making sure your smile is real, learning confident body postures, and understanding what your image conveys when you're photographed from certain angles.

Planning A Family Reunion

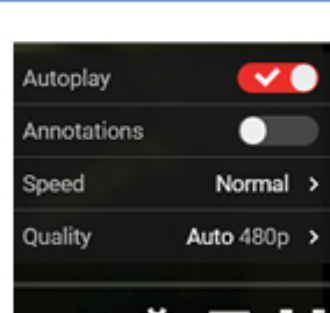

[gatheredagain.com](#) - Want to see your family all together, but dread planning a reunion? Visit this site for helpful hints on everything from activities for kids, to creative decorations, to the perfect location. Discover who to invite, appropriate budgets, and even a list of family reunion jokes.

Short Tutorial/FAQ - Eliminating Annoying YouTube Annotations

Question: How can I get rid of those annoying pop-ups that sometimes appear during YouTube videos?

Answer: It's more fun to watch videos without superfluous images and text (called "annotations") getting in the way. Fortunately, getting rid of them is easy. You can eliminate annotations for one video using the following steps...
