Scam Alert - Spoofed Facebook Accounts

The latest Facebook scam takes advantage of users' trust in their friends. Scammers are making duplicate accounts, and then sending friend requests to friends of the original Facebook account holder. For example, say you have a friend named Jane Smith, and you've been friends with her on Facebook for several years...

Learn fun facts in the areas of science, health, history, entertainment, and others. Check out the Top Ten section to learn about the Top 10 Biggest Things in the Universe and much more.

Short Tutorial/FAQ - Is Private Browsing Totally Private?

Maintaining your privacy online is difficult because everything you do is tracked in some way and leaves an electronic "footprint." To counteract this phenomenon, each web browser has something called private mode. When you browse in this mode, the browser doesn't record where you go...
